

## **2022 Road Construction**

Road Construction begins Thursday, September 29, 2022

BelRock will be here starting Thursday for their prep work before the paving. They are working on Aqua manhole covers and catch basins in the areas that will be paved the following week.

Please be aware of the barricades and cones marking road cut outs.

The major scope of work this year includes a 2" overlay at Atlantic Drive, Bostonia, Bounty Dr., Spinnacre, Queensbury Place, Chanticleer Dr., Squire Lane, road patch at 1250 Candlewick Dr, and various other small patching spots throughout the community.

There will be ditch and shoulder work done throughout the property as well.

09/29, 09/30, 10/01 Working on manhole covers/catch basins.

The dates to be determined on the following:

Milling Roads

Prime Roads early morning

Paving Roads

This schedule is subject to weather. We will keep you updated. When we have a better idea which roads will be paved on which days, we will let you know.

Please exercise caution and slow down when you see the road work in process. Avoid these roads if possible.
